2 Samuel 11

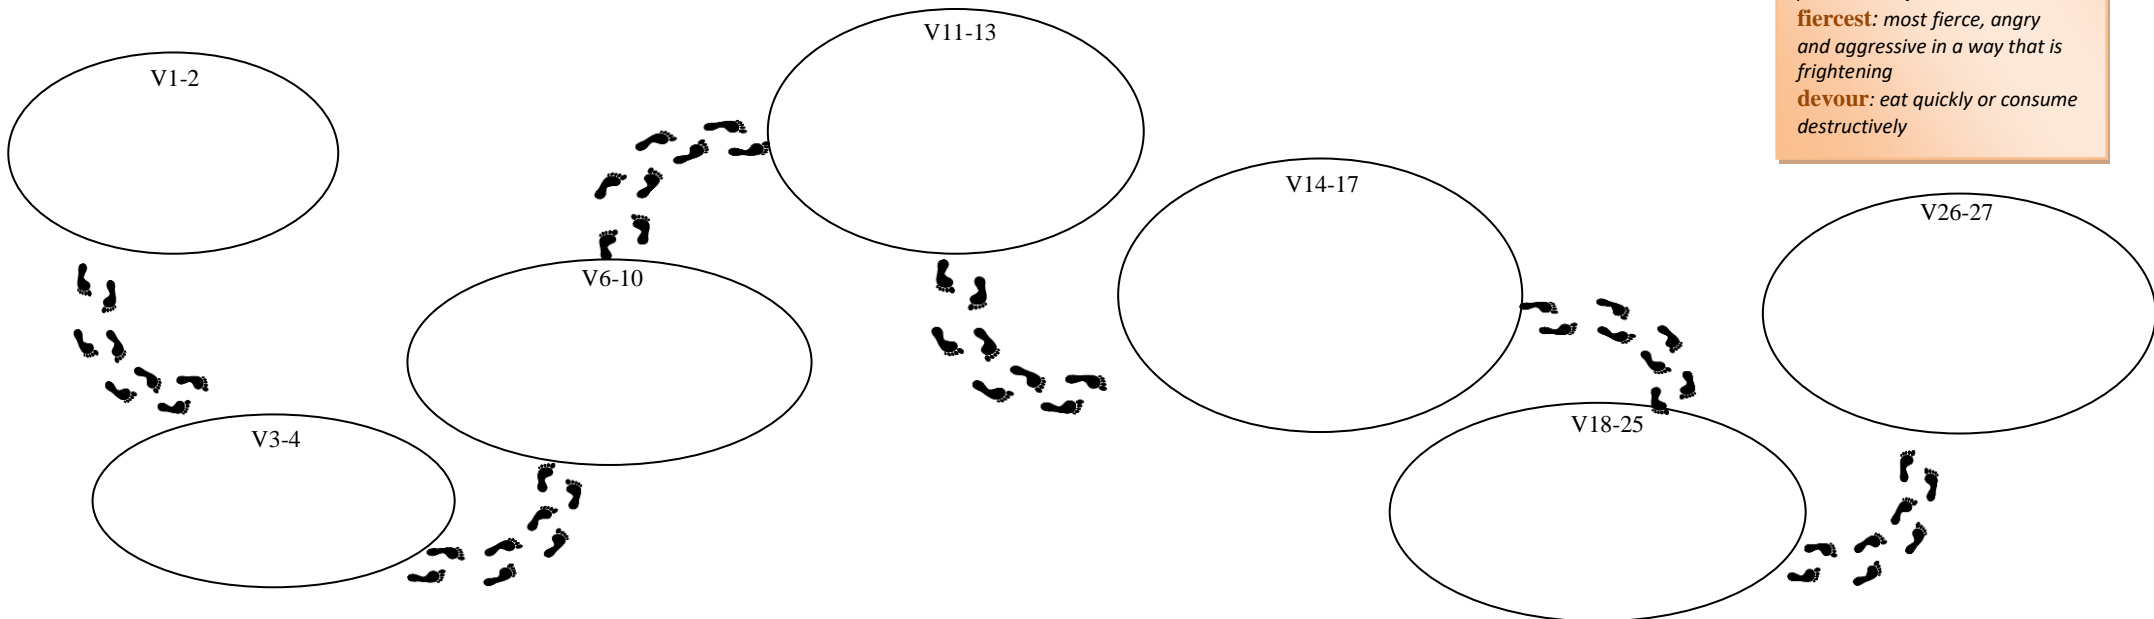

Bible Study 2018

The story so far...

God had replaced Saul who did not obey God with David who was a just shepherd boy. God even promised to build the house for David and put his descendant on the throne forever. David obeyed God and even God himself said David is the king who was after his own heart. But is David the perfect king?

Read 2 Samuel 11

Retell the story by summarizing in stages

Look the stages of the story above. Do you think that David knew from the very beginning that this story would end up with murdering?
Where did David's sin start?

God knew everything David had done, although no one else knew. And God was not pleased. How does that make you think about what you have done wrong and no one knows?

Ice Breaker...

Could you think of any leader who is always upright, takes care of his people and has wisdom to make right decisions? Do you think the perfect leader ever exists?

besiege: surround (a place) with armed forces in order to capture it or force its surrender

Hittite: a member of an ancient people who inhabited Anatolia and northern Syria

uncleanness: a religious status. Here means the status of having menstrual period

campaign: a series of military operations intended to achieve a particular objective

fiercest: most fierce, angry and aggressive in a way that is frightening

devour: eat quickly or consume destructively

Who do you think is the perfect leader? How can you be sure?

Jesus is the perfect king, who does not sin and does not have any flaw. (See 2 Corinthians 5:21) He will never let you down and will always lead you in the right direction.

Do you welcome him as your leader and follow him?

He made Him who knew no sin to be sin on our behalf, so that we might become the righteousness of God in Him. (2 Corinthians 5:21)
