

How is treasure in heaven different to treasure on earth? (v32-34)

“For where your treasure is, there your heart will be also.” (v34)

Where is your treasure?

What do you rely on in your life for security?

How is Jesus’ definition of success different to the world’s definition of success?

Do you believe Jesus?

How have you been challenged by his teaching?

How will you respond?

If you are a Christian, how does Jesus’ teaching comfort you?

How will you invest in treasure in heaven?

e.g. how you use your money now
your future plans
